Dear Pulolyites,

THE AGM AND DINNER

We are pleased to inform you this year's Annual General meeting (AGM) and Dinner which is scheduled for Saturday the 28th of November 2009 at 6pm. The venue is:

**Shirley High School Performing Arts College
Shirley Church Road, Croydon CR0 5EF**

There will also be cultural programmes after the AGM. We would appreciate if your children could perform in these programmes and make the day more enjoyable. To take part please contact our Vice-President Mr Sivakumar and provide the details.

This is the third year for the Association. This year we have been supported by 40 paid members. We take this opportunity to request the support of the others who still have not paid the membership fee. Please renew your membership by contacting a committee member or on the website.

As a mark of respect and sharing the sufferings inflicted upon our people by this year's tragic events we have cancelled our fund raising event "Makilam Pookal 2009". As a result we have been left with a limited budget for the projects.

The Puloly Development Foundation Trust has indentified numerous needy projects for next year and this requires more funds. Our next fund raising event "Makilam Pookal 2010" has been planned for April 2010. We are relying on your continuous support for this event to achieve the same level of success as the previous years.

We hope you will be able to attend the AGM and Dinner. We would also like to invite those of you who could spare some commitment to join the committee. In line with the constitution the positions of the office bears will be open to the paid members and the nominations will be proposed at the AGM.

The association has been bearing the cost of the AGM and dinner for the past two years. This year the committee has decided to issue tickets in order to cover the expenses. The prices of tickets will be for a joined-member's family of up to four at £10 and for any single at £5. We will greatly appreciate if you could confirm your attendance to the Treasurer.

This will undoubtedly be a wonderful evening for the whole family. It will be an opportunity for the adults to meet up with the old friends and especially for the children to make new friends and socialise within our community.

We look forward to meeting all of you on the 28th November 2009.

Yours Truly

R Giritharan
Secretary
