Dear Pulolyites,

First and foremost I would like to thank all the members and Puloyites for supporting the association during the last four years. Since the inauguration this association has grown beyond our expectations within relatively a short period.

It is my pleasure to inform you the forth coming AGM and dinner. The AGM and dinner are scheduled for the 05th of December 2010 at 4:00pm in the following venue:

**Shirley High School Performing Arts College
Shirley Church Road, Croydon CR0 5EF**

We are also organising a cultural programme which will be hosted following the AGM. If your children are interested in participating please contact the president Mr T Sivagurunathan as soon as possible.

I would like to invite all the paid members to attend the AGM and all the Puloyites to attend the cultural programme and dinner afterwards. I am proud to inform that we have decided to allow the admissions to the cultural program and dinner free of charge this year.

Approximately 40 paid members exist in the association this year. I would greatly appreciate if the rest of you could extend your support by formally joining as members. Please join either by using the form available online or by contacting a committee member.

It is our humble opinion that new blood is required in the next year's executive committee. Accordingly we seek new nominations for the office bearers and committee members in the forth coming AGM. For the purpose of electing and accepting new committee members we are introducing a nomination form. This form can be downloaded from our website. The nominations shall be posted to the address on the form to be received not later than 27th of November 2010. In case of more than one nomination for the same position(s) the particular office bear(s) will have to be elected by majority vote in the AGM.

As self evident the past Mahilam Pookal 2010 was a great success and raised fund to a higher level than any of our previous events. I would like to take this opportunity to thank you for your contributions towards this achievement. Special thanks should go to the volunteers and members who made this programme possible through their hard work in the front line.

We have carried out more than 1.4 million rupees worth of projects so far this year including a Computer Centre at a cost of 0.56 million for Puloly School in Manthikai. Please check our website for more details on these projects and also for more up to date information about the association and Puloly in general.

Finally I would appreciate if you could confirm your attendance as soon as possible in order for us to organise the events in an optimal way. I look forward to seeing you on the 5th of December.

Thank you.

Yours Truly

R Giritharan
Secretary
