The committee would like to welcome you to the sixth year of our Association. The Association has reasonably helped to improve the quality of life of the under privileged people in Puloly and neighbouring villages, directly and via community programmes for the past six years with the great help and support of the members of the association and others.

I am positive that you all will continue to extend your support and co-operation to the Association to expand and grow to achieve her set objectives effectively and efficiently.

Past year AGM and dinner of the Association was held on 29th October 2011 at Shirley High School and Mr Sivaguranathan was re-elected as president for the sixth consecutive term as he has been found indispensable. The committee members and members will fail in discharging their obligations if they do not recognise the commendable and tireless services provided by Mr Sivaguranathan. This year's AGM date and venue has not been decided yet. As soon as we finalise, we will post the information on the website.

The Association has donated **5.5 million rupees (55 lakhs)** for the implementation of set projects to date. The Association aims to donate more than 15 lakhs on planned and approved projects in the current year. We feel Community Development programmes are more effective in the long run to improve the quality of life for people in Puloly and neighbouring villages.

The key to the success of the Association is the level of membership and participation of the members in the Association's activities. No burden is heavy when it is lifted together. Therefore I kindly request you all to renew your membership by filling the attached form. You also can help by sponsoring a specific project.

The history of success in Mahilam Pookal was repeated in 2011 and achieved targets. This really helped us to support community programmes that can bring long term and stable benefits to community in need. **Mahilam Pookkal 2012** on Saturday 21st April 2012 at Watford Colosseum, Rickmansworth Road, Watford WD17 3JN is guaranteed to deliver high class entertainment featuring the legendary **Sinna Kuyil K S Chithra**. We make sure that this year's show will be even better than last year's show. Please check the website for further details. And contact committee members for tickets. Do not leave it too late and get disappointed.

As you would have observed, our website has been increasingly visited by more and more viewers. We believe this trend is attributed to the wealth of information regularly published on the site. Our web contents include project details, gallery of recent pictures, videos, obituaries, funeral details and many more. A new section was also introduced this year for **latest news from Puloly**. Mr S Thananjeyan, who is based in Colombo, continues making great contribution to our web team.

Please feel free to provide us with any information, materials or ideas that you believe could enrich our website. I hope you would find this newsletter informative. Wishing you well, I look forward to seeing you at Mahilam Pookkal 2012.

Yours Truly

N Vyrum
Secretary
